-2- (Forms Manual Insert - Form RD 1951-15)

A single <u>Form RD 1951-15</u> will be used for all insured loans of the same type, i.e., Water and Waste Disposal or Community Facility, which have the same interest rate and are being assumed under existing terms; separate forms will be used for all insured loans of different types or where different rates and terms are being provided.

When a new debt instrument is issued for a public body organization, complete Part A only, since the bond instrument(s) will provide the information contained in Part B.

PART A

1. Enter the case number to be assigned to the transferee, using leading zeroes where necessary. For example, 11 - 12 - 123456 must be entered as:

```
1 1 1 0 1 2 0 0 0 0 1 2 3 4 5 6.
```

- 2. Enter the transferee's name as it is to appear in Finance Office records.
- 3. Enter the appropriate one of the following codes based on the type of assumption:
 - 1 if the entire amount of the debt is being assumed.
 - 2 if the amount assumed is less than the full debt, but at least equal to the unpaid principal balance.
 - 3 if the amount assumed is less than the full amount of the debt and less than the total unpaid principal balance.
- 4. Enter the rate of interest authorized by applicable RD regulations.
- 5. Enter the date of the agreement from Part B.
- 6. Enter the amount of principal and interest being assumed by the transferee. If total amount of principal and interest exceeds \$9,999,999.99, a separate Form RD 1951-15, must be prepared.
- Reserved for future use.
- 8. Reserved for future use.
- 9. Enter transferor's case number as in the example in item 1.
- 10. Enter transferor's name as shown in current Finance Office records.
- 11. Enter the loan number(s) of the transferor's loans to be assumed. A maximum of six may be entered for each assumption agreement.

Example: | 0 | 1 | 0 | 2 | 0 | 3 | 0 | 4 | 0 | 5 | 0 | 6 |

- 12. Enter the appropriate code based on whether the loan to the transferee will be considered a "program" or "nonprogram" loan under applicable regulations.
- 13. Enter applicable fund code:

Example: |9|1|

14. Enter the appropriate code to indicate the race or entity type of the transferee:

Loans to individuals

- 1 White (not of Hispanic origin)
- 2 Black (not of Hispanic origin)
- 3 American Indian or Alaskan Native
- 4 Hispanic
- 5 Asian or Pacific Islander

Loans to associations and other organizations

- 7 if the transferee is a tax-exempt public body.
- 8 if the transferee is nontax-exempt.
- 15. Leave blank if no change, or enter the Employee Relationship Code:
 - 0 No relationship
 - 1 Employee
 - 2 Member of family
 - 3 Close relative
 - 4 Associate
- 16. Enter the applicable assumption code based on whether the assumption is at the same terms or new terms.
- 17. Enter applicable code based on whether the transferor is or is not being released from liability.

PART B

- 1. Insert the date the transferee executes the agreement. This is considered the closing date.
- 2. Enter the name of the transferee.
- 3. Enter the mailing address, including zip code, of the transferee.
- 4. Enter the name of the transferor.
- 5. Using a separate line for each note, enter complete information for each note covered by this agreement. The unpaid principal and interest will be shown as of the date of the agreement.
- 6. Enter the interest rate for the note(s), reamortization agreement(s), or previous assumption agreement(s) being assumed.
- 7. Enter under "Insurance Charge Rate" the rate of any separate Insurance charge related to the loan, when applicable.
- 8. If real estate is involved enter the country(ies) and state in which the security instrument(s) is filed and recorded. If chattel security instruments are involved, enter a colon after "therein" and delete the balance of the line.
- 9. Insert complete information required on each security instrument. This includes both chattel and real estate mortgages, deeds of trust, or other security instruments which secure the instrument(s) described in Table I. For any chattel security instruments involved, show in the third column the office, county, and state of filing or recordation.
- 10. Check when an eligible applicant is assuming the outstanding balance of the indebtedness at the same rates and terms stipulated in the debt and security instruments listed in Tables I and II.
- 11. Check when an eligible or ineligible applicant is assuming the portion of the indebtedness equal to the current market value or when new rates and terms are being provided for the assumption of the outstanding indebtedness.

COMPLETE ITEMS 12-18 ONLY WHEN AMORTIZED PAYMENTS ARE BEING USED

- 12. Check this subparagraph when amortized payments will be used for repayment of the indebtedness being assumed.
- 13. Insert the amount of indebtedness (principal plus accrued interest as of the date of the agreement) when the entire outstanding indebtedness is being assumed. This amount will normally be the same as the sum of the unpaid principal and accrued interest shown in Table I of the agreement. However, when only the portion of the indebtedness equal to the current market value is being assumed, insert the amount equal to current market value. When a downpayment is being made on or before the closing date of the assumption, such amount will be deducted from the total indebtedness and only the balance will be shown.
- 14. Insert the interest rate to be charged.
- 15. Insert the amount of the initial amortized installment of principal and interest, rounded to the next highest dollar, and the date and year the installment is due.
- 16. Insert the amount of subsequent amortized installments of principal and interest, rounded to the next highest dollar, and the date(s) the installments are due.
- 17. Insert "each month" for monthly payments, "each year" for annual payments, or enter the appropriate months for semi-annual payments.
- 18. Insert the number of months or years, as appropriate, used to amortize the indebtedness, and type over the inappropriate term.

COMPLETE ITEMS 19-23 ONLY WHEN PRINCIPAL PLUS INTEREST PAYMENTS ARE BEING USED.

- 19. Check this subparagraph when installments of principal plus accrued interest will be used for repayment of the indebtedness being assumed.
- 20. Insert the amount of indebtedness (principal plus accrued interest as of the date of the agreement) when the entire outstanding indebtedness is being assumed. This amount will normally be the same as the sum of the unpaid principal and accrued interest shown in Table I of the agreement. However, when only the portion of the indebtedness equal to the current market value is being assumed, insert the amount equal to current market value. When a downpayment is being made on or before the closing date of the assumption, such amount will be deducted from the total indebtedness and only the balance will be shown.
- 21. Insert the interest rate to be charged.
- 22. Enter the amount(s) and the due dates for each installments. If more than 15 installments are required, complete <u>Form RD</u>. 440-57A. "Supplemental Installment Information".
- 23. Insert the date the final installment is due and payable.

COMPLETE THE REMAINING ITEMS IN ALL CASES

- 24. Insert the name of the transferee.
- 25. The authorized representative of the assuming entity will execute on the appropriate line and their title will be shown below.
- 26. The official of the assuming entity attesting to the signature of the above person will execute on the appropriate line and their title will be shown below. When applicable, the seal will be affixed in the appropriate location.
